

## *It's Our Family Tradition*

*Ever since 178 Club opened in 1980, our family knew that everything should be homemade with the freshest ingredients and products, we are sure that our customers know and recognize the difference. What makes us different from the rest? We don't take short cuts. We prepare almost all items from scratch. This is against the national trend, but this is what we do daily to ensure that you get what you pay for.*
